Create a GQA Online Account	Sign up via the header section of our website - <a href="https://www.gqauk.org/">https://www.gqauk.org/</a>	
Subscribe to an online audit plan	To gain access to our FREE ISO Document Toolkits, you must first subscribe to an audit plan.	
Customise your documentation	Once you have subscribed to your chosen audit plan, you can then customise the missing elements from your management system to ensure completeness before making your online submission.	
Submission	Once you have a complete management system in place, you can then make your submission.	
Await your report and certification	Once your submission has been made, please allow up to 30 days for your assessors to audit your submission and provide you with certification and registration to your chosen ISO standard.
